Americans with Disabilities Act

Special Recreation Services of Sertoma Star Services supports the Americans with Disabilities Act (ADA). SRS will provide all reasonable accommodations to include persons with disabilities in the community. It is the belief of SRS that all people are created equal and that they should have equal rights to recreation and leisure opportunities in their communities.

Inclusion

SRS supports programs that allow the participants to perform in the least restrictive environment. Some participants may choose traditional SRS programs, while others may choose park district and recreation department–offered programs. In cooperation with park district/recreation department staff, SRS will provide additional support for all persons interested in inclusion services in park district/recreation department programs.
